REGULATED DRAINAGE EASEMENT NOTE:

A petition addressed to the Allen County Drainage Board has been filed in duplicate with the County Surveyor, requesting that the subdivisions storm drainage system and its easements be accepted into the County's regulated drainage system. The storm drainage system and its easements that are accepted into the County's regulated drainage system are delineated on the plat as Regulated Drainage Easements (RDEs). Regulated Drainage Easements are stormwater easements and drainage right-of-ways that are hereby dedicated to the public and to the Allen County, Indiana, Drainage Board for the sole and exclusive purpose of controlling surface water and/or for the installation, operation, and maintenance of storm sewers and tile drains as defined in Allen County Stormwater Management Ordinance. These drainage easements are established under authority of the Indiana Drainage Code and the said Board may exercise powers and duties as provided in said code (e.g., annual drainage assessment per lot). All other storm drainage easements have not been accepted into the County's system. All drainage improvements performed relative to the conveyance of Stormwater runoff and the perpetual maintenance thereof, with the latter easements, shall be the responsibility of the owner or homeowner association. The Allen County Drainage Board assumes no responsibility relative to said improvements or the maintenance thereof.
